Minutes of April 10, 2017

Attendance: Connie Crandall, Jim Mallon, Butch Rupert, Myron Reed, David Hays, Chad Whaley, Mike Lancaster, Tim Zacharies, Dan Conrad, Mac Wilson, Jared Schinzel, Greg Wooden.

Meeting called to order 7:06 pm by Mac Wilson

Treasurers Report submitted by Connie Crandall Motion to accept by Dan Conrad and seconded by Chad Whaley.

Connie ask the club to give input on the bowhunter weekend pins. Everyone liked them but wanted the new year to be different. Either color or design. Connie is looking into pricing.

Chad and Mac are following up with the City Parks and Rec regarding hosting the WSAA state shoot on July 8 & 9.

Dates for the Access Yes shoots are set for May 9th and 11th 2017

May 16 at 6:00pm the club will be doing inventory on targets. The indoor range will be closed during this time.

May 23 is the cleanup for the outdoor range 6:00 pm

New Business:

Connie Crandall inquired about adding donors to the donor board in the range. David Hays is investigating who can cut the names on vinyl so new donor names can be added in an attractive way.

Suggestions were also taken about adding an "In Memoriam" board to the club. The members in attendance thought a finished slab would be a fine start for the board.

There is going to be a shooters clinic on Saturday April 22 and Sunday April 23 at the club and some discussion whether or not to close the club for the clinic. The Board decided to leave the club open during the clinic because no fees are being collected for exclusive use of the club during clinic hours.

The access yes shoot's will not have an entrance fee and will feature additional games.

The Tuesday and Wednesday night shoots are over for the summer and will start again in the fall. Tim Zacharies is continuing the Thursday evening 3D.

Motion made by Dan Conrad second Chad Whaley to adjourn at 7:50 pm on April 10, 2017.

There is a lot of activity going on at the club this time of year.

The Access Yes Shoots are May 9th and 11th at 7:00 pm. There is not going to be an admittance fee this year but we will have additional games.

The Trad shoot and garage sale/swap meet is coming up on May 20th. Registration begins at 8:00 am with burgers and garage sale/swap to follow at approximately noon.

Carp Schwackin is taking place again this year on June 3rd at Rock Lake. See attached flyer for more information.

There is also some scheduled maintenance and housekeeping coming up in May.

On May 16 at 6:00 pm the club will be closed for approximately 3 hours to conduct inventory of 3D targets and inserts. This is a labor intensive event and the board immensely appreciates all the help it can get during inventory.

On May 23 the housekeeping will continue outdoors picking up garbage, knocking down the weeds and general tidying up around the place. Again, all help is greatly appreciated.

2017 CFA CARP SCHWACKIN SATURDAY, JUNE 3RD
