Greg talked to the state about the grant funds they were offering. The legislature will have to vote to approve and then they will contact us about applying to make improvements at the range at Curt Gowdy.

The board revisited the invitation to host a booth at Super Day. We would not have the ability to set up targets and let the kids shoot, it would only be a vendor booth. Discussion was held and Neal Perkins made a motion to not accept the invitation, Dan Conrad second. Motion approved.

Inventory of targets was completed, and the new cores have been ordered.

NEW BUSINESS:

Mat needs targets for the Sunday League. Greg will order the double-sided targets.
