A word from your President

My Fellow Field Archers,

We have a special writer this month, Neal Perkins will take up most of my space up with some great info on BOW. Thanks to everyone that helped with the State 450 and the first leg of our Triple Crown. We had a great turn out for each one. Thanks to the Wheatland club for putting on a great shoot this past weekend as well, along with the Arctic shoot in Ft. Collins.

If you have any questions or concerns about the club, feel free to call me any-time, 631-6507. Thanks for letting me be a part of this great club. Dan

Being the area 5 representative for Bowhunters of Wyoming (BOW) has given me the opportunity to meet some of the greatest people in the state. These people pour their hearts and souls into our sport. They work year round to insure our sport is well represented in the field and with the state law makers. BOW has become one of the leading conservation groups in the state. I think it's important that people know BOW didn't get that way by chance. There's a lot of hard work and commitment by its membership, and volunteers.

I don't get a chance to say thank you enough to the clubs that make up the backbone of BOW. Your organization touches so many lives with your generosity. I can't you the amount of pride I feel being a part of the Cheyenne Filed Archers. It's much bigger than just getting a bow in the hands of a kid, or raising funds for access yes.

All of these programs take a lot of time, resources and work. There is no grater gift you can give a community or organization than your time! For all of you that find the time to make these programs work—THANK YOU!!

We can all feel fortunate that we live in a state where people are so passionate about bow hunting and show their support, by donating their time and resources towards that passion!

If you have a passion for bow hunting, and would like to know more about BOW, please feel free to give me a call, or just catch me at one of the many Field Archers functions. Please don't take what we have for granted. When possible invite a kid along, and always remember

IF YOU DO NOTHING - EXPECT NOTHING

Neal Perkins—Bowhunters of Wyoming Area 5 Representative—286-3456

At the last Thursday night league 20 shooters had the privilege of shooting with Mad-ilyn. She is three years old and was quick to inform us that she has been shooting since she was two. Just goes to show—you can't start them too young.
