A word from your President

Welcome to the new year. I want to thank all of you who expressed your trust in me at the annual meeting. I will do my best to live up to that. We also have a good board and set of officers this year and I look forward to working with them. We have several goals this year: 1) Open communications 2) Maintain our facilities and 3) Minimize costs without increasing our fees 4) Increase member participation 5) Make our club more visible in the community.

I have posted a list of contact numbers for your officers and the board out at the range. By the time you read this, the same list should be available on the club web page. If you have any thoughts or ideas please give me or anyone on that list a call and let us know. We will also have FEEDBACK forms

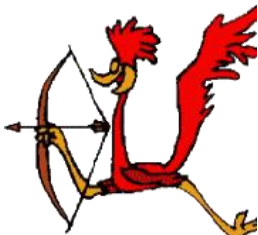

available at the Leagues and other club events. We will maintain our facilities as needed. At the moment the big item is the floor. We hope to get these tasks done with a minimal disruption to open shooting or any scheduled events. Your cost to be a member of this club is very reasonable. Something like 14 cents per day. Our shoots and leagues are also very reasonable. We intend to keep it that way in spite of the economy. We will be doing a lot of planning this year to make the best use of our club funds.

This is YOUR club. I would like to see and meet more of you. Please consider coming out to more events this year. We could also use much more help. This would also be a good time to point out that the Monthly meeting on the first Monday of the month (7:00pm) is open to EVERYONE. I hear the statement "I never knew Cheyenne Field Archer existed" all the time. I want to change that. Happy Shooting and Have a GREAT year.
