Minutes
CFA Annual Meeting
January 9, 2016

The annual meeting was called to order by President, Dan Conrad, at 5:56 p.m. The December Treasurer's report was presented. Bob Graham made a motion to accept the December treasurer's report as presented, Mike Cahoon seconded motion; none opposed, motion carried.

Dan Conrad presented the 2016 Proposed Budget, discussion was held on several different line items. After review of proposed budget, Bob Graham made a motion to accept the 2016 Proposed Budget, Jeremy Cooke seconded; none opposed, motion carried.

Dan Conrad discussed 2015 accomplishments of the club:

- Triple Crown - record #'s
- Bow Hunter's Weekend
- Traditional Shoot – 40 shooters
- Outdoor extreme at Curt Gowdy
- Super Day
- Alta Vista Elementary support to raise money for their kids to go to National NASP tournament
- Saddle Ridge Elementary shoot - kid's reward for their money raising event
- CFA hosted 4 out of 5 State Shoots, only one we didn't host was State Vegas
- CFA raised \$1633.00 for Access Yes
- BOW donation

A proposal made to hold an additional Trad Shoot in May and rather than a Swap Meet, advertise it as a Garage Sale was approved in the December board meeting. Spring Trad shoot/Garage Sale is scheduled for May 21, 2016.

Dan Conrad proposed changing the Triple Crown in 2017 to run on Saturday and Sunday with 9:00am and 2:00pm shoot times and eliminate the Friday night shoot. Setup for the Triple Crown would occur on Friday evening, allowing more people the opportunity to help with cleaning and setup. Jeremy Cooke made a motion to eliminate Friday shoot and have two shoot times on Saturday and Sunday (9:00am and 2:00pm) beginning in 2017. Tim Zacharias seconded; none opposed, motion carried.

Dan Conrad presented a proposal to "Expand Club-25'X40". This expansion would make a new office/classroom and would move the bow racks, concessions, etc. into the current office area to alleviate the congestion behind the shooters. Jim Frauendienst presented a proposal including subcontractor bids for an all-inclusive addition. The original total, minus Jim's contractor fees which he agreed to remove, was \$82,400. The bare minimum, shell, concrete, electrical, erection of the building came to \$60,468. After discussion a vote was taken and the majority of the members attending the annual meeting voted against the expansion with club funding.

Further discussion was done on changing the Triple Crown shooting dates, helping to alleviate the problems that prompted the building expansion proposal. Discussion ensued that we need more room for shoot lines, so a committee was formed to research ways the club could raise additional building expansion funds and to apply for grants. The expansion project fund raising committee comprises Neal Perkins, Tim and Sarah Zacharias, and Danny Simonson.

The JOAD group has grown to over 40 kids! Therefore, JOAD has asked to expand their time from 9:30 am to 12:00pm to 9:00am to 12:00pm on Saturday to allow separation of the kids into two groups. A Motion was made by Bob Graham to expand JOAD's time by the ½ hour requested, seconded by Tim Zacharias; none opposed, motion carried.

Dan Conrad commented that it has been proposed to bump fees for those members who don't donate time, and leaving those who donate time at the current rate. President, Dan Conrad, strongly opposed increasing fees; however, we need suggestions on how to get more members to help with setting up, cleaning up, and with other work opportunities. Tim Zacharias suggested the work parties occur at night, rather than during the day to get other people involved. James Sheets suggested that we put a sign-up sheet on the wall for those who can help. Another suggestion was to send a group text notifying members of work parties.

Bob Graham made a proposal to set up a scholarship fund for members. Discussion surrounded the possible criteria and how funds would be generated. It was decided that we have an application and a committee will determine criteria and how much money should be awarded. A suggestion was made to do a scholarship shoot in April similar to Access Yes. The dates for the 2016 scholarship shoot will be April 12 & 14, 2016. Only the money raised from the scholarship shoot will be awarded. A motion was made by Connie Crandall to accept the proposal for the scholarship fund, seconded by Butch Rupert; none opposed, motion carried. The Scholarship Fund Committee will be comprised of Sarah Zacharias, Connie Crandall, Jerry Schinzel and Laura Ketterling.

Bob Graham brought up a proposal that Connie Crandall suggested at the December Board Meeting to change the monthly board meeting to the 2nd Monday of the month. This change will allow the treasurer to get the bank statement and do the reconciliation before doing the treasurer's report for the monthly board meeting. Neal Perkins made a motion to change the meeting date to the 2nd Monday of the month, Al Tharp seconded it; none opposed, motion carried.

Mike Lancaster reminded everyone that the door cards will expire February 1st. Please get your membership renewal in by February 1, 2016 to avoid being locked out of the range.

Mary Tharp, Treasurer, asked what needed to be done for the CDs that are maturing. Members knowledgeable on the subject suggested we contact the bank to request a better interest rate. It was also questioned how much money should be left in the checking account with the remaining funds being moved to a new CD. By April, Mary will figure how much money we need for monthly expenses and come up with a definitive amount to put into a new CD. A motion was made by Al Tharp to move excess money to a CD in April, seconded by Tim Zacharias; none opposed, motion carried.

Jeremy Cooke got a sample of a club polo shirt and two club hats. The Officers and Board members would each receive a polo shirt; the members could buy a shirt for \$30.00, and the hats would be sold for \$15.00. Colors were discussed and if the club buys pink polo shirts for the women, they should be women cut.

Bob Graham proposed that we remove the spotlights at the end of the range, since they are not used, move the elk to one side and put a roadrunner on the other side. The elk and roadrunner should be made of vinyl. The membership voted to accept the proposal.

Archer of the Year voting was held. Nominees were Kent Ketterling, Mike Lancaster, and Gary Cox. Mike Lancaster was voted in as Archer of the Year. Congratulations Mike!

New Officers and Board members voted in for 2016:

President – Dan Conrad
Vice President – Al Tharp
Secretary – Connie Crandall
Treasurer – Mary Tharp

Board – Ray Ladd
