A word from your President

Now that the 4th of July is over, we will start to see fall in the air and you know what that means. But wait! Our club has one more big event in store before you head out. BOWHUNTERS weekend is only a couple weeks away. It is fun, it is affordable, and it helps us pay our bills. I urge ALL club members to attend. I also request that you come out and give us a hand. We will do set up on August 5th starting at 9:00 am up at Curt Gowdy. Your help is needed for that. The actual event is August 6th and 7th. Help is also needed for that. Either way, please support us with this event by coming out and flinging a few arrows. You can either call me at 221-0950 or just show up. See you then. **Bob**

Thank You

I would like to thank the many CFA members who turned out to help build the archery kiosk at Curt Gowdy State Park on June 18th. The coordination and building of this project will help to fulfill the requirements necessary in order to earn my Eagle Scout rank. This project was a big success and wouldn't have been possible without the time, hard work, and effort by all who participated. The fantastic support I received really meant a lot. When members are not only willing to help you "hone your skills" out on the archery range, but are also willing to lend a hand with a project such as this, it just shows what an exceptional club we have.

Thanks again to the following individuals for their tireless effort: Bob Day, Mary Jo Day, Al Tharp, Bob Graham, Neal Perkins, and Ross Choate. Sincerely,

Eric Gerhart
