Monthly P & L Report was presented by Board Treasurer, Monica Mallon. Report was reviewed and discussed. Net income for the month was \$2,49.23. Motion to approve was made by Mat Rusk, second by Myron Reed.

OLD BUSINESS:

Outdoor Adventure Program was held on July 8th and 9th at the club. They had 13 kids on Thursday and 12 kids on Friday. Thank you so much to our volunteers: Craig Germond, Jim Mallon, Neal Perkins, Kelly Thornbury, and Greg Wooden. The event was a great success.

Finalized details for Bowhunter Weekend. The Veterans Help Foundation will provide lunch on Friday for volunteers. They will also provide breakfast and lunch on Saturday and Sunday for donations.

Toilets have been reserved and will be delivered on Friday morning. We will have coolers with water and ice on the course and one at registration. Jim, Greg and Dan will bring big coolers.

Judy contacted Trophy Creative about pins and hats. We didn't have enough time to order pins so will use up our supply from previous years. We ordered CFA hats and will have them for sale during the weekend.

Scheduled a work party for Tuesday, July 20th to unload the RMAA targets and reload targets for BHW. Repair and replace any targets as necessary.

Judy will send out a request for volunteers for the work party, set up on Friday morning and help for BHW on Saturday and Sunday.

Greg built a sign-up genius for shooters to register early. We will also accept sign ups at the registration table the day of the shoot. We will use the club's generator plus Jim's to have enough juice to run the printer.

Reminder to take garbage bags and talk to the park about bringing big garbage cans and picnic tables. The park will provide volunteer passes for anyone that does not have an annual park permit.

Greg talked to Bullseye Archery and the status of our core shipment is one week out. He will follow up with them about a delivery date.

The Championship class will be allowed to use range finders for known yardage and will shoot from separate stakes.

NEW BUSINESS:

Kelly brought to our attention the fact that the side door has been unlocked multiple times when he comes to the club. Will investigate and possibly get a different type of lock for that door. He also mentioned how dirty the floor is and wondered how to mitigate that situation. The board doesn't have a resolution at this time but if anyone had suggestions, please contact any board member.

Motion to adjourn was made by Dan Conrad, second Mat Rusk.

Adjourned at 8:02.

Respectfully Submitted,

Judy Wooden
