A word from your President

Howdy ya'll,

I can't believe its June already.....I hope everyone got their tags in and are waiting as impatiently as I am to find out exactly where I get to hunt this fall. I did get good news a couple of weeks ago, one of my best friends drew an Idaho Bighorn Sheep tag and I will be going on that hunt in late August. Never been on a sheep hunt and if any of you have any good advice, please call me or email me. I would love to hear anything that would help me get ready for this hunt.

A few things on the horizon this month.....we will be hosting a Cheyenne Field Archers fun shoot on the 30th of June. This is also a member drive for new memberships and really just a way to get folks out to shoot and have some fun...see the info in this newsletter for directions and costs. The state field shoot is the 23rd and 24th of this month at Cahill Park. If you have any questions, please contact Mike Hoover. Also on the 23rd is Cheyenne's Super Day. We set up a few targets and let folks shoot and every year it's a big hit. We are still looking for help on that day, if you would like to help, please get in touch with me soon. Thanks.

A couple of big 3D shoots are coming up.....Laramie's club will be hosting a shoot on the 21st and 22nd of July and our big 3D shoot is the 4th and 5th of August. There is a lot of work that goes into setting up and running this shoot, we are always looking for volunteers. Set up for our shoot will be on Friday the 3rd of August. Any and all help is very much welcome and we will even buy you lunch and or supper. It all depends on when the vendor will get there and get set up.

I hope everyone is having a great summer so far....getting out and doing some camping and some fishing. As crazy as it seems, bow season is just around the corner....

As always, if you have any concerns, ideas or anything of that nature about the club, please feel free to call me anytime. 307-631-6507

Thanks again for letting me be a part of this great club, Dan
