Minutes
CFA Monthly Meeting
May 9, 2016

The May board meeting was called to order by President, Dan Conrad at 7:00 p.m. Members present were as follows: Sarah Zacharias, Tim Zacharias, Gary Cox, Daniel Simonson, Jim Mallon, Myron Reed, David Hays, Kent Ketterling, Robert Graham, James Frauendienst, Mike Lancaster, Dan Conrad, Al Tharp, Mary Tharp, and Connie Crandall.

Mary Tharp, Treasurer

- Mary presented the April treasurer's report. The Scholarship Fund account has been set up at the bank as well as an additional savings account as discussed in previous meetings. A total of \$15K was moved from the checking account to the new savings account. The total in the Scholarship Fund is \$2,525.75.
- The tax accountant is reviewing the CFA books to make suggestions on what we could do to make our bookkeeping better. The same accountant will do the year-end audit.

After review of the April treasurer's report, Bob Graham made a motion to accept the report as presented, Tim Zacharias seconded motion; none opposed, motion carried.

Old Business

Trad Shoot/BBQ/Garage sale is May 21, 2016.

Access Yes shoot is May 10 & 12, 2016

Butch Rupert

- Requested update on when the new bow press would be set up in the office for use. Mary Tharp and Mike Lancaster will work on getting the table on the north wall and/or the bookshelves on the east wall cleaned and moved so the press can be set up. – **Update – the new bow press has been set up in the office area.**
- Butch Rupert's daughter quoted a price on the polo shirts with embroidery at \$15 per shirt rather than the \$30 per shirt we purchased prior. She would charge \$25-\$50 for the digitized images and the club would then own the images. Butch has a catalog with the same shirts and also t-shirts. We will contact Jeremy to see if we can get the images. – **Update – BHW shirts have already been started so we will look changes for next year. Mary will create a new sign-up sheet for additional shirts to get an idea on interest and further discussion will take place at a later date on who we will use for purchase of shirts.**
- Butch suggested we spray foam insulation in the target shed and put electric in the shed so we can keep the targets heated in the winter. Suggested we clean the garage and then spray. Al Tharp or Bob Graham will get an estimate on cost. – **Update – Al Tharp received an estimate from Moore Insulation for spray in foam insulation. The estimate was approximately \$3000 plus we would need to sheetrock or paint for fire barrier protection. More discussion will follow at a later date.**

- RMAA shoot is June 26. Park vendor will have first refusal on food service. Dan Conrad will be meeting with RMAA prior to the shoot.
- Need to level and haul in rock or recycled asphalt, or pave parking lot. Estimates on grading, recycled asphalt, and pavement are being acquired. – **Update – Estimate to do a complete workover of parking including collection pond, culvert, grade, and crushed granite came in at \$26K. All agreed this is not feasible at this time. Tim Zacharias will provide an estimate for recycled asphalt and labor to spread and pack with roller at next meeting. **Update – parking lot discussion has been tabled.**
- Butch suggested we contact High West Energy to inquire about “yard” lights in the parking lot. – **Update – work order was filed and locate has been completed. Al Tharp will follow-up to see when installation will be completed. ** Update – the yard lights have been installed!!**

Gary Cox

- The webpage has been converted to a new software. Most of the web pages have been updated with current links and several corrections have been made. If anyone sees anything that needs to be corrected please contact Gary and he will get the corrections completed. The website is looking very nice!! Since Jan 1 the website has received 1740 users with an average of 2-3 pages viewed per use.

Al Tharp

- We will have a complete target inventory on 5/25 at 6 pm. **Update - Target inventory was completed on May 11 due to Bullseye needing to place order sooner.**

Dan Conrad

- Carp Shoot – CFA will host a Carp Shoot on June 11, 2016 at Rock Lake. Registration will begin at 7:30 am with weigh in at 6 pm. Cost will be \$20/person. All “rules and regulations” will be discussed and determined by the participants at registration.

Tim Zacharias

- Several people have requested a Summer 3D league. Summer 3D will be Wednesday nights at 7 pm beginning June 1. Tim will run the Summer 3D league. **Update – Summer league was changed from Wednesday to Thursday and will start on June 2.**

New Business

Connie Crandall

- A poster is being created with the names of all donors over \$50 to be displayed on the bulletin board. Suggestion was made that thank you letters also be sent to all those donors. Connie will create letter for Dan to sign including a smaller version of the poster.
- Because the Access Yes Fundraiser is in the spring we will be moving the Scholarship fundraiser to the fall and have it on a Saturday so we have more time for fun shoots.

David Hays

- The Lifetime Membership information is no longer on the application. After discussion it was determined that the Lifetime membership is still available for \$500/family per the By Laws. The lifetime membership option will be added to the membership application.

- Ray Ladd is no longer a member of the Board of Directors. Jim Mallon and James Frauendienst will tag team the open position.

Robert Graham

- Suggested a member of the Club should be able to sponsor an individual for the CFA Scholarship. More discussion will take place on scholarship criteria at a later date.
- Due to increasing costs for the operations of the club and lack of participation for work days, suggestion was made to increase dues by \$5 for yearly and \$75 for lifetime memberships. This suggestion will be added to the annual meeting agenda for discussion and vote.

James Frauendienst

- Assessment of requirements and cleanup needed at Curt Gowdy range. There are some stakes that need to be replaced, bow racks need repair, etc. Suggestion was made that an assessment could be completed on a Friday night with a workday on Saturday. **Update – an email was sent out for the workday on Saturday, May 14.**

Al Tharp

- More discussion is needed on heating and insulation for the shed. The reduced cost for replacement of targets and cores due to damage from being cold would pay for the upgrades to the shed.
- The Outdoor Slam is at Curt Gowdy on Saturday, June 4. We need volunteers!! Meet at the club at 8:45 and finished at 3 pm.

Dan Conrad

- Bowhunters Weekend
 - We need a caterer/food service provider for BHW. The provider must be licensed and insured. Tim Zacharias will check with DW's in Laramie. Al Tharp will contact the vendor outside Home Depot and Lowes. If anyone has any other suggestions, please contact Dan.
 - We have received permission to lock the gates across the trails.

Mike Lancaster

- Current membership is 221

With no further business, motion to adjourn was made by Robert Graham, seconded by James Frauendienst; none opposed. Meeting was adjourned at 8:15 pm.
