Minutes 05/14/2018

Attendance: Greg Wooden, Connie Crandall, Dan Conrad, Jim Fraundiest, Tim Zacharies, Myron Reed, David Hays, Kent Ketterling, Kayla Ketterling, Al Tharp.

Meeting called to order 7:00 pm

Treasurers report presented by Connie Crandall and motion to accept by Tim Zacharies and second by Myron Reed.

Targets will be ordered from Bullseye archery.

There was a lengthy discussion about the awards for this year's bow hunter weekend. If we have a buckle sponsor should we give buckles to each class even if that class has only one shooter? The consensus was to keep the current rule that each class must have at least 2 shooters. The cubs, youth and young adult classes will combine boys and girls this year and have awards for each class regardless of number of entries.

David Hays asked that we purchase a storage container to increase the amount of storage we currently have. We have outgrown the garage and need more space. We will send out a postcard informing the membership of our intentions and ask for a vote. The container will cost approximately \$5000 delivered and set up.

Motion to adjourn was made by Greg Wooden and seconded by Jim Fraundiest.

We are asking the members to approve the purchase of a conex container to increase the amount of storage needed to store and secure targets and miscellaneous things. If you have not voted yet, you have until June 15th. Send your vote to cfasecretary@hotmail.com or drop your post card in the black box by the front door at the indoor range.

One final note is to mention the sign hanging above the restrooms. The Wyoming Department of Transportation and Cheyenne Field Archers would like to remind everyone to buckle up; we want to see you back at the club or on the archery range.
