## A word from your President

Greetings!

I hope all your hunts were successful. It is now the time of year that everything starts to happen for us so I want to highlight the biggies. Our Leagues for the year are now in full gear. Al Tharp is doing the Tuesday night leagues and has a pleasant surprise for you. Mary Jo and I will once again will do the Sunday paper leagues. The club has kept the cost reasonable (no changes) for both leagues so come on out and have some FUN.

We will have a big day on December 11. We will start at 9:00am with Traditional shoot, Have a big Chili feed for ALL club members at noon, then start the swap meet at 1:00pm. Please also mark your calendar for December 18th. We will be doing a Christmas party in the early evening that day. More information will be available in the November newsletter. In the next few weeks we will also put a sign up sheet up in the range for next years officers. We have had an excellent group of officers and board members this year and encourage you to put your name on this list if you would like to be part of this.

If you have any concerns or ideas about the club, please give me a call at 221-0950.

Bob

## Board Meeting

The regular board meeting of the Cheyenne Field Archers was called to order at 7:00 pm on October 4<sup>th</sup>, 2010 at the Cheyenne Field Archers Office.

Bob Day, Mary Jo Day, Matt Rusk, Bob Graham, Adam Lewis, Al Tharp, Mary Tharp, Jim Frauendienst, Mike Lancaster, Mike Hoover, and Neal Perkins were present.

**New Business**-to allow speaker to present and then leave without having to set in for the whole meeting.

**Archery Range**-Curt Gowdy State Park-Paul Gritten from the Wyoming State Parks and Historic Sites and Trails came to present changes to the current Archery Range out at Curt Gowdy State Park. He explained that the stairs that were build in the 1990(s) are rotting, that because of no back slope there is a lot of water erosion on the trails and some of the trails exceed a comfortable 8 % grade. The State Parks proposes that Cheyenne Field Archers join together with the State and redo the

range, keeping the existing number of target butts, reworking the trails not to exceed the 8% grade and creating a backslope to prevent water erosion. The project is expected to be started and completed next Spring. The state will have a trail contractor do the design and if the club wants to have a representative or two there, that would be great. They also propose to have an information kiosk (an open sided, covered structure, imparting information) where the club could post safety rules, contributor(s) information, club information, etc. The range will still have 2 – 14 target courses to retain the NFAA sanction. The state of Wyoming will put out the RFP for the club to buy the target butts. The State will also work it out with BOPU and the School District for access into land to make the 8% grade work out. There will only be 1/10<sup>th</sup> of a mile added to the course. Neal Perkins said there is some money in the Game and Fish Department's program to get the youth outdoors, that he will check into to see if they will also help with this project.

### Meeting Minutes & Treasurers Report

Mary Tharp presented the Minutes from the August Board Meeting. Bob Graham made a motion to accept the minutes and Mary Jo Day seconded the motion.

Mary also stated that although there wasn't a board meeting in September, she still sent out the newsletter with pictures from Bow Hunter's Weekend. Adam Lewis pointed out that the Championship flight pictures weren't there. Bob Day said we didn't print all the pictures.

*Have Bow, Will Go!!*

Mary Jo Day presented the Treasurer's Report from August. Neal Perkins asked if the gifts from BOW shouldn't be in the Income statement and Mary Jo agreed. Bob Graham made a motion to accept the August Treasurer's report and Al Tharp seconded the motion. Mary Jo Day presented the September Treasurer's report. Al Tharp made a motion to accept the September Treasurer's report and Bob Graham seconded the motion.

**Membership Report** was given by Bob Day. He reported that Mel Schlagel has 320 members registered.

## Old Business

**Rules/ByLaws**-Since we need two months to advertise before annual meeting, requested changes need to be presented to the Rules Committee in October. That will give November and December for advertising. A Rules Committee was formed to include Bob Day, Bob Graham, Al and Mary Tharp.

Bob Day said he'd like to present that Job Descriptions of the Board members be incorporated in the Rules/ByLaws for the President, Treasurer, Secretary and the Board Members. Discussion surrounding new membership fees for applications submitted after September 30<sup>th</sup> and before January 1st, be clarified in the Rules/ByLaws.

**Cabelas**-Adam Lewis said that he got \$300.00 sponsorship from Cabelas. He is still working on trying to get them to sponsor BHW but he was wore out from dealing with them.

**WSAA**-Mike Hoover represented the club at the annual meeting. These dates have been set:

VEGAS 450	9:00am	Nov 13th
VEGAS 450	9:00am	Dec 4th
Traditional Shoot/Swap meet/Lunch	9:00am	Dec 11 <sup>th</sup>
Annual Meeting	5:00pm	Jan 8th
VEGAS 450	9:00am	Jan 15th
Triple Crown 1	8:00am	Jan 22nd
Blue Face	9:00am	Feb 12th
Triple Crown 2	8:00am	Feb 26th
Triple Crown 3	8:00am	Mar 26th
BHW		Aug 6th and 7th

Mike reported that WSAA Constitution and By-Laws were discussed. They will have plaques only, no flights; reestablished Board of Directors.

Andy Turnquist is the Director; Randy Walter, the Alternate Director. Archer of the year will continue way it is, Deadline is January 15<sup>th</sup> to be sent to Lynell Preston. They separated out the Secretary/Treasurer positions and established a publicity chairman to do the newsletter and website. The requirement to have archers paying the NFAA membership to shoot at their shoots was not voted on. To be sanctioned by NFAA, WSAA has to have 1 indoor and 1 outdoor shoot that only NFAA members can shoot. State filed will be in Casper NFAA-blue faced. The State target shoot will be in Cheyenne June 25<sup>th</sup> & 26<sup>th</sup>. They are looking for a location. Perhaps Okie Blanchard stadium, Archery range, North Soccer fields???? There was discussion on the Lifetime Achievement Awards.

## New Business

**Club Christmas Party**-Bob Day asked if the club wanted to do something for the kids and Neal Perkin's asked if we shouldn't do a potluck dinner with the families. It was discussed that December 18<sup>th</sup> would be a good date. Bob Graham made a motion to add it to the calendar, Al Tharp seconded the motion.

**New Officers**- November meeting we will have sign up sheet for anyone who would like to be a part of the Board of Directors for the new year.

**Senior Olympics**-Bob Day reported that Cheyenne will be the site for the Senior Olympics In August 2011, the week after BHW. Mary Jo and Bob Day are the Coordinators. They will also be looking for a location. Dan Valarius, Mel Schlagel and Ted Walton will also help set this up.

Bob Day was approached to see if the club wanted to sponsor the **World Series of Archery tournament**. For the \$45.00 entry fee, \$25.00 would be a cash payout/\$10.00 to host / \$10.00 to WSOA. The club would also have to pay \$100.00 to offset some of the costs. The Board declined to host this tournament.

## Other Business

**NFAA Guidelines**-Adam Lewis requested that we discuss keeping up with the NFAA guidelines??? The discussion was tabled for the next board meeting.

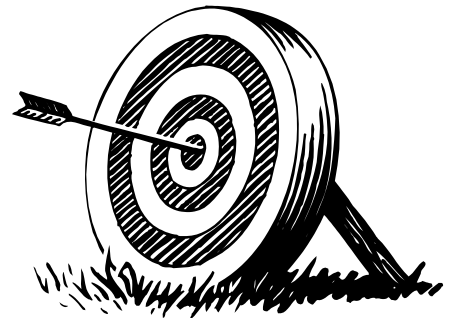

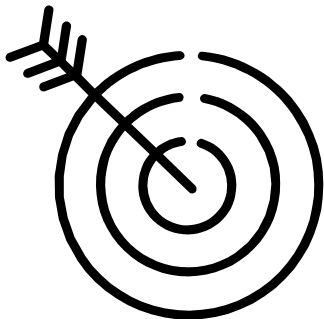

It was also reported that Arrow Dynamics' leagues are starting up again the 18<sup>th</sup> of November.
