A word from your President

As you well know, we do not have a board meeting in September. Please don't be lulled into thinking your board is sleeping, though. Bob Graham and Al Tharp have been busy completing our Outdoor Range (see note on page 3). We all owe them a big thanks for that. I have been busy sending out donor thank you's and preparing for our October meeting. Our meeting in October will have a great many things that will concern both you and our club. It will be an important meeting because there will be club issues that will affect the way this club works in the near and distant future. I urge ALL members to consider attending so that you might give your input. Because of some of the issues up for discussion, see the tentative agenda below. Hope to see you there and hope you are bragging about your hunting successes. Bob

Info on Outdoor Range

On the outdoor range, be sure and use Broadhead Target on the lower shelf or risk losing your broadheads. They won't pull out of these butts.
