### **Range Phone**

It was moved to disconnect the range phone which will save the club \$696.00 per year. After a short discussion it was voted, passed and approved to disconnect the phone.

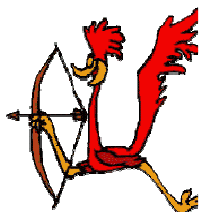

### **Target Cores**

The target cores will arrive next week and we will schedule a work party for November to do some winter clean up and organize the targets.

### **BHW**

We held a review of the 2009 BHW and came up with some items that will need to be worked on for 2010 BHW, such as a new food vendor, as Kennison Katering did not work out so well. Please see the BHW 2009 Feedback form on page 3. We would love your input.

THANK YOU to all of you who volunteered your time to help with this event.
