Dinner Ticket Refund/Donation

Cheyenne Field Archers Scholarship Foundation regrets to inform you that the Scholarship Fundraiser Dinner and Auction is officially cancelled for 2020. We had hoped to reschedule in June, but in the best interest and health of our friends, family, and all Scholarship Foundation supporters we have decided to cancel 2020 and move forward to 2021.

We greatly appreciate all the support we have received. The Scholarship Foundation was able to award 5 scholarships in 2020 totaling \$4500 with the generous cash donations we received.

We are offering refunds for dinner tickets or you may donate the cost of your tickets to the Scholarship Foundation. As we are an approved 501(c)(03) tax exempt charitable organization your donation is tax deductible.

Please return this form with your request for refund or donation to the address at the top or email to cfascholarshipfoundation@gmail.com. We will mail checks as we receive the refund requests. If you choose to donate the cost of your tickets, we will send you an official donation receipt for tax purposes.

Cheyenne Field Archers Scholarship Foundation thanks you for your Support!!
